Be Strong Online 2016

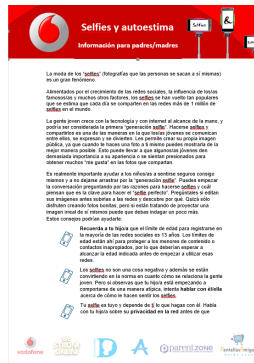

- Partnership with The Diana Award
- Peer to Peer initiative (Be Strong Ambassadors)
- Digital Literacy and Resilience
- 10 Modules covering subjects such as Cyberbullying, Well Being and Selfies
- Stand alone modules or full programme
- Support portal being developed [See https://bestrongonline.antibullyingpro.com/](https://bestrongonline.antibullyingpro.com/)
- Each Module contains a Staff Guide, Lesson Plan, Activities, Take away for students & parents (Input from Parent Zone)
- Set up for UK School system but able to be localised for other countries and use by youth organisations

Be Strong Online 2017

- Modules being translated and rolled out in EU markets and being made available on the Instant School's project being launched in Africa. Modules have Creative Commons Rights

Parent Module 2018 -Proposal

- To introduce parents to digital life skills and to the Be Strong Online modules and approach.
- It is intended for parents of children age between 6 and 11 years of age
- Helps parents to understand ways of supporting the development of digitally resilient children who can benefit from the opportunities of the online world whilst reducing the risks.
- The Toolkit will be provided in all Vodafone's EU OpCo languages and Creative Commons
- Cascaded on a train-the-trainer basis with initial training provided by Parent Zone

What will it include?

Workshop approach with Videos, activities and takeaway actions

Issues

- Engaging parents in proactive “preventative” engagement in Digital
- Partnering with Local NGOs
- Acceptance within School System
