

CHILDREN AND PRIVACY – FINDINGS FROM THE CHILDREN'S ADVISORY PANEL

Anna Augustson
26 September 2018

CHILDREN'S VOICES

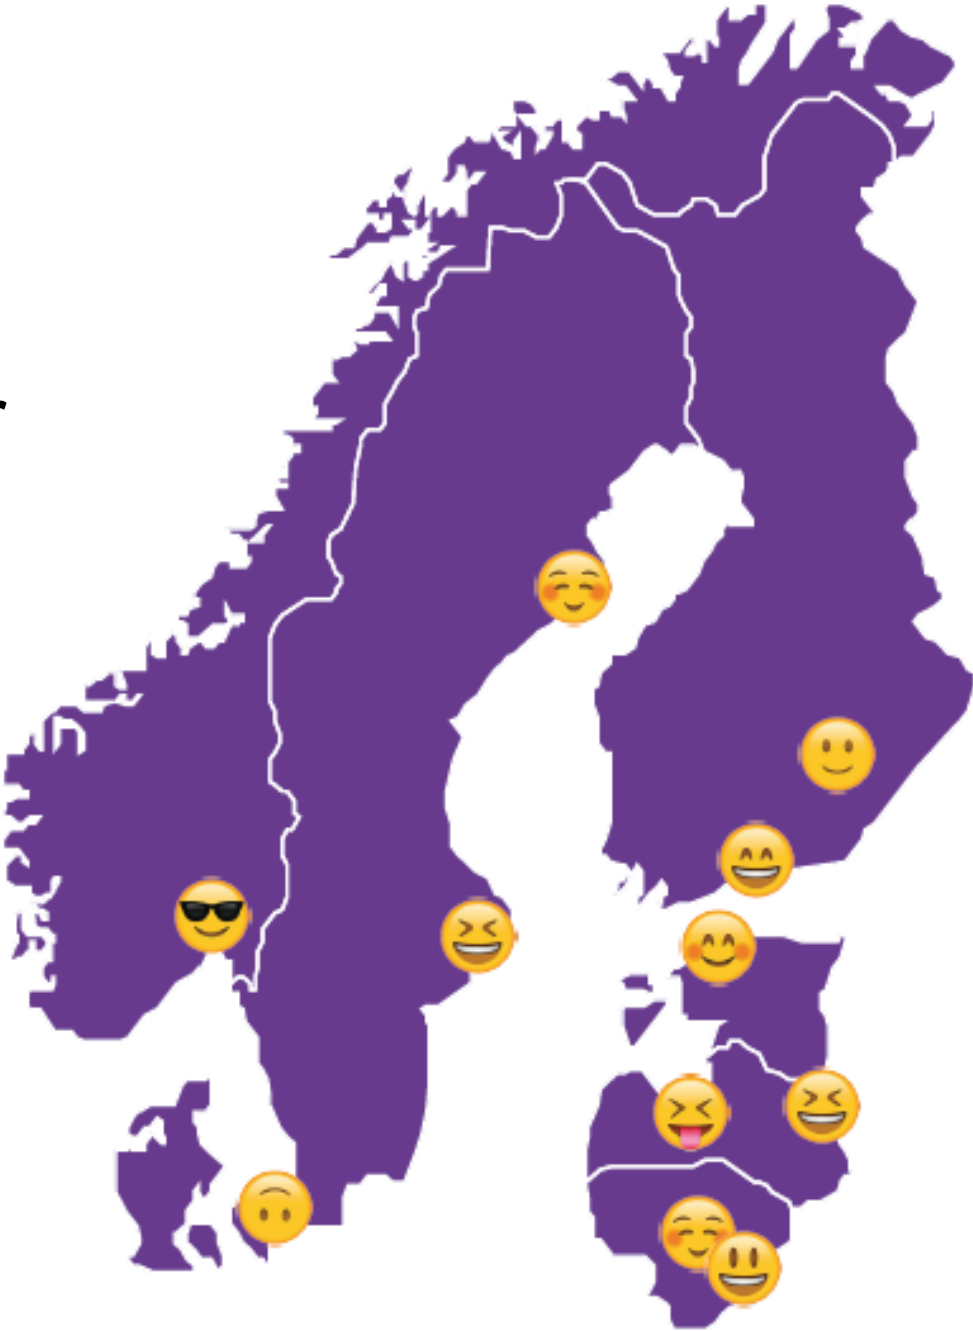

700-800 children per year

Workshops

Schools

CHILDREN'S ADVISORY PANEL 2017/18

Theme: **Privacy**

Method:

- ❑ Online survey
- ❑ Verifying workshops

Findings:

- Data and "Personas"
- Workshops for schools

AN AVERAGE CAP-KID SEEMS TO BE QUITE INFORMED AND CAREFUL ONLINE

94%

of the CAP-kids think that the passwords should be kept secret

However...

5%

have shared their passwords online with friends

56%

use the same password for most apps and games

MORE THAN HALF OF CAP-KIDS HAVE HAD NEGATIVE ONLINE EXPERIENCES

24%

of the CAP-kids have received disturbing contacts and messages online

17%

have had their pictures circulated on social media without their consent

10%

have received unwanted nude pictures

7%

have been blackmailed

LEVEL OF UNDERSTANDING OF TERMS OF USE IS
QUITE LOW

"This is just too much!"

THE CAP RESEARCH CLEARLY SHOWED THREE MAIN CATEGORIES OF KIDS

**TECH-SAVVY BOY
PUSHING THE
BOUNDARIES**

**REGULAR KID
ENJOYING THE
OPPORTUNITIES**

**VULNERABLE
CHILD NEEDING
SUPPORT**

CAP KIDS WANT TO BE IN CONTROL

The **most** important three online rights were

1. Information about me is not shared without my permission
2. I can always remove my videos and pictures if and when I want
3. There are more reliable and educated adults online to help children if their privacy is violated

The **least** important three online rights were

8. I can understand the Terms of service of online apps and services
9. I know that a person's age is the right age
10. There are apps only for those under 18

WHAT CAN WE DO?

- Improve skills and understanding
- Equip parents and schools
- Speak children's language and create awareness

WORKSHOP

School workshop - material

Workshopen ger barnen (11-13 år) fördjupad kunskap kring hur personuppgifter hanteras på nätet.

Information to schools

Målet med workshopen är att stötta barn till att förvärva digitala färdigheter och skapa förståelse för hur personuppgifter hanteras på nätet.
